

These Folds of Honor shirts are made with a unique Earth friendly performance fabric called EcoTec. This fabric is 100% micro poly infused with Bamboo Charcoal. The micro poly presents an easy care garment and the Bamboo Charcoal wicks moisture and keeps the shirt comfortable and odor free. The latest in comfort and technology - perfect for the cockpit or the golf course!

Call 510-618-1200 or email sales@pimadirect.com to order today.

These limited edition 3-color Pulsar™ golf cleats provide dynamic traction and comfort, while allowing golfers to display their patriotism with each step taken!

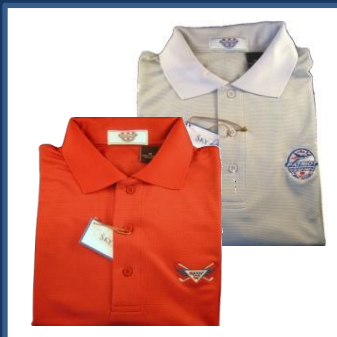

Ameritees™ are designed with the "old red, white, and blue" in mind.
